1. The following is an examiner's statement of reasons for allowance:

The subject matter of the claims is allowable over prior art of record because all prior arts fail to teach or suggest a multi-media communication management system and method for providing automated forwarding of a wide area network wireless telephone's incoming calls, providing a communication session control server coupled to a network communication circuit and a service provider interface, to receive from a subscriber station an indication that a wide area network wireless telephone has been coupled thereto, establish a communication session with a wide area network controller, and send a call forward command and a designated telephone number associated with the wide area network wireless telephone, acquired at session level, to the wide area network controller through the communication session, wherein the call forward command effects the wide area network controller to forward telephone calls addressed to the wide area network wireless telephone to the designated telephone number.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alpus H. Hsu whose telephone number is (571)272-3146. The examiner can normally be reached on M-F (5:30-3:00) First Friday Off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Wellington Chin can be reached on (571)272-3134. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
